45CM 17.7'' White Amber Flexible LED Day Time Running Light Flowing Bar Silicone DRL

Basic Information

- Place of Origin: China
- Brand Name: Vastintel
- Certification: CE, ROHS
- Model Number: DRL- 304560
- Minimum Order Quantity: 100 PCS
- Price: USD$20.00 - $30.00/PC
- Packaging Details: 1 pc/set 27X26X13 cm 2.300 kg
- Delivery Time: 30 work days
- Payment Terms: T/T, Western Union
- Supply Ability: 5000 Piece/per Week

Product Specification

- Product Name: DRL Daytime Running Light
- Voltage: DC 12V
- Power: 20W
- LED Type: SMD Chip
- Waterproof Rate: IP65
- Lenght: 30CM 45CM 60CM
- Material: Soft Tube
- Color: White/Amber, Ice Blue/Amber, Red/Amber, Blue/Amber
- Fit For 1: Car DRL, Turn Signal Light
- Fit For 2: Switchback Light, Brake Light
- Warranty: 1YEAR
- Life Time: More Than 50000hours
- WORK TEMPERATURE: -20°C~50°C
- Highlight: **45CM LED Day Time Running Light**, **Flexible LED Day Time Running Light**

Product Description

Ultra-Bright 45CM 17.7" White/Amber Flexible LED Tube Strip Style Flowing Bar Silicone DRL Daytime Running Lights Tear S

Specification:
LED Quantity:LED Strip
Color: White / Amber
Material: Plastic
Input voltage: 12V-DC
Working Temperature: -20°to 50°
Wire length: about 70cm

Size: 45cm(17.7in)
Protection Rate: IP65 Waterproof
Certification: CE and RoHS
Weight: 0.085KG

Flowing Mode
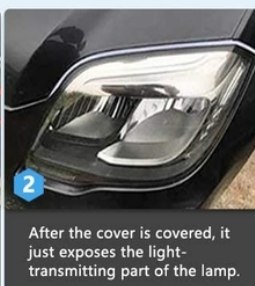

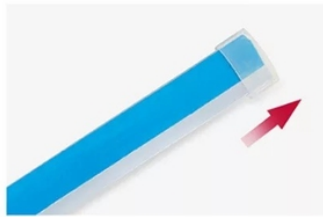

Real Lighting Effects

White=Day Running Light

Yellow=Turn Signal Light

Daytime running light   Sequential turn light

Super Bright
Brighter and Sturdyl Shining Brighter than normal LED.

YELLOW

Installation Guidance

1. open the front cover of the car and paste it in the gap between the headlight and the cover

2. After the cover is covered, it just exposes the light-transmitting part of the lamp.

3. Without turning on the light, it looks like a seal is installed between the lamp and the cover.
