

H1 H3 H4 H7 H8 H11 9005 9006 LED Car Headlight Bulbs MI2 White light

Our Product Introduction

for more products please visit us on automotive-ledlight.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: HOUYI
- Model Number: MI2
- Price: \$5.30 - \$7.30/sets
- Packaging Details: in box

Product Specification

- Year: Universal
- Model: Universal
- OE No.: 23
- Car Fitment: Universal
- Voltage: DC9-48V
- Warranty: 1 Year
- Car Model: Universal
- Product Name: Mi2 Led Car Headlight
- Power: 36W
- Lumen: 8000lm
- LED Chip: CSP 3570
- Color Temperature: 6500K
- Headlamp Luminous Surface: Double Sided
- Waterproof Rate: IP 68

Product Description

Mini Car LED Headlight Bulb H1 H3 H4 H7 H8 H11 9005 9006 canbus kit MI2 Auto lighting System headlamp White light fog la

Product Description

Super Mini Car LED Headlight 26W 3000LM H11 H1 H3 H4 H7 9005 9006 MI2 LED Headlight

Item No.	Mi2 CSP Led Headlight
LED Type	CSP Led Chip
Lumens	3000LM per bulb
Beam Angel	360 degree
Input (A)	2.6A±0.2A
Voltage	DC9-36V
Working temperature	-40°~ 105°
Life Span	> 30000 hours
Available colour	Pure White 6000K
Warranty	12 month
Available socket	Hi/low beam: H4 Single beam: H1, H3, H7, H8, H9, H10, H11, 9005, 9006

Features:

1. Our Mi2 Led Headlight is very small size, can be directly sealed inside the assembly, the original car dust cover without holes, the real non-destructive installation.
2. Our Mi2 LED Headlight is used ultra-quiet dual ball bearing vortex fan cooling, increase ventilation, thermal strength, longer life, stable and luminous no noise. Air aluminum lamp body, a better auxiliary lamp fever, prolong life.
3. Aluminum alloy drive, increase EMC non-polar resistance, superior anti-interference ability. Intelligent temperature control system, monitoring and regulation at all times. Achieve dynamic protection, automatic adjustment of current and lamp brightness according to the working environment.

LED

Smart car headlights

integrated design

Structural decomposition diagram

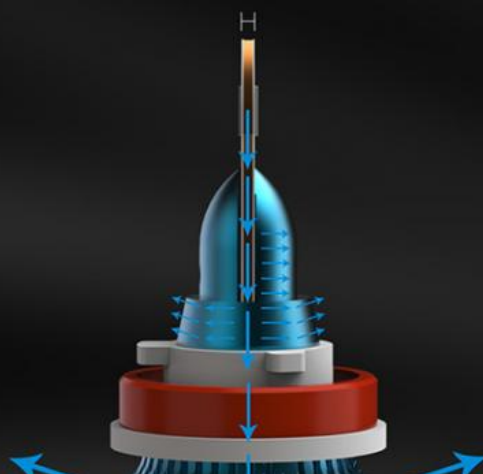

We always have strict and demanding requirements for quality.

Chip spacing is smaller light type is more standard

The chip spacing is small, the near-light tangent is more standard, and the high beam is more concentrated.

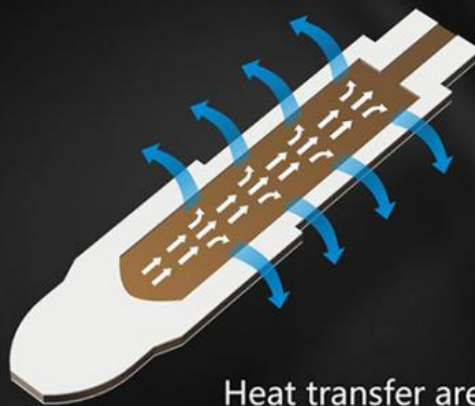

0.9MM

High speed conduction heat dissipation

The heat dissipation area is larger and the heat
dissipation is faster.

Heat transfer area : 398mm^2

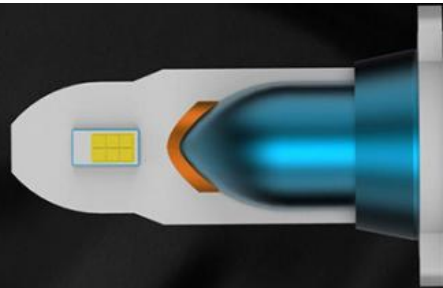

Matrix light source

Matrix light arrangement, customized for MI2, and at
the same time far and near light effect.

40mil*6

5.5mm * 3mm

High temperature resistant fan

Directional supercharged air cooling system for high speed heat dissipation

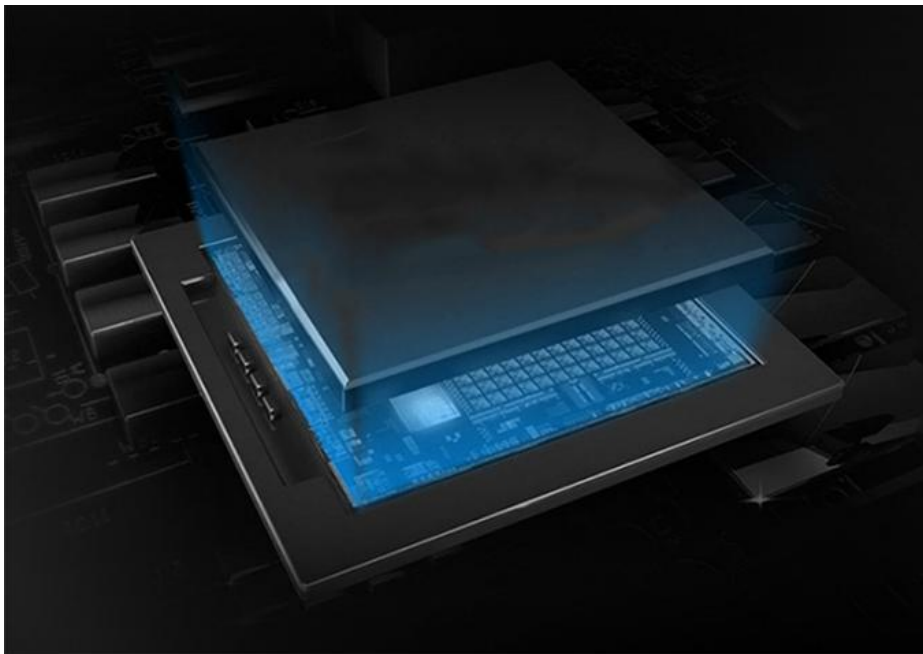

Fan high temperature 180°

Built-in smart "core"

Drive - intelligent thermal management system

The anti-interference integrated circuit is designed with high density
high concentration integrated circuit/built-in drive integrated temperature control

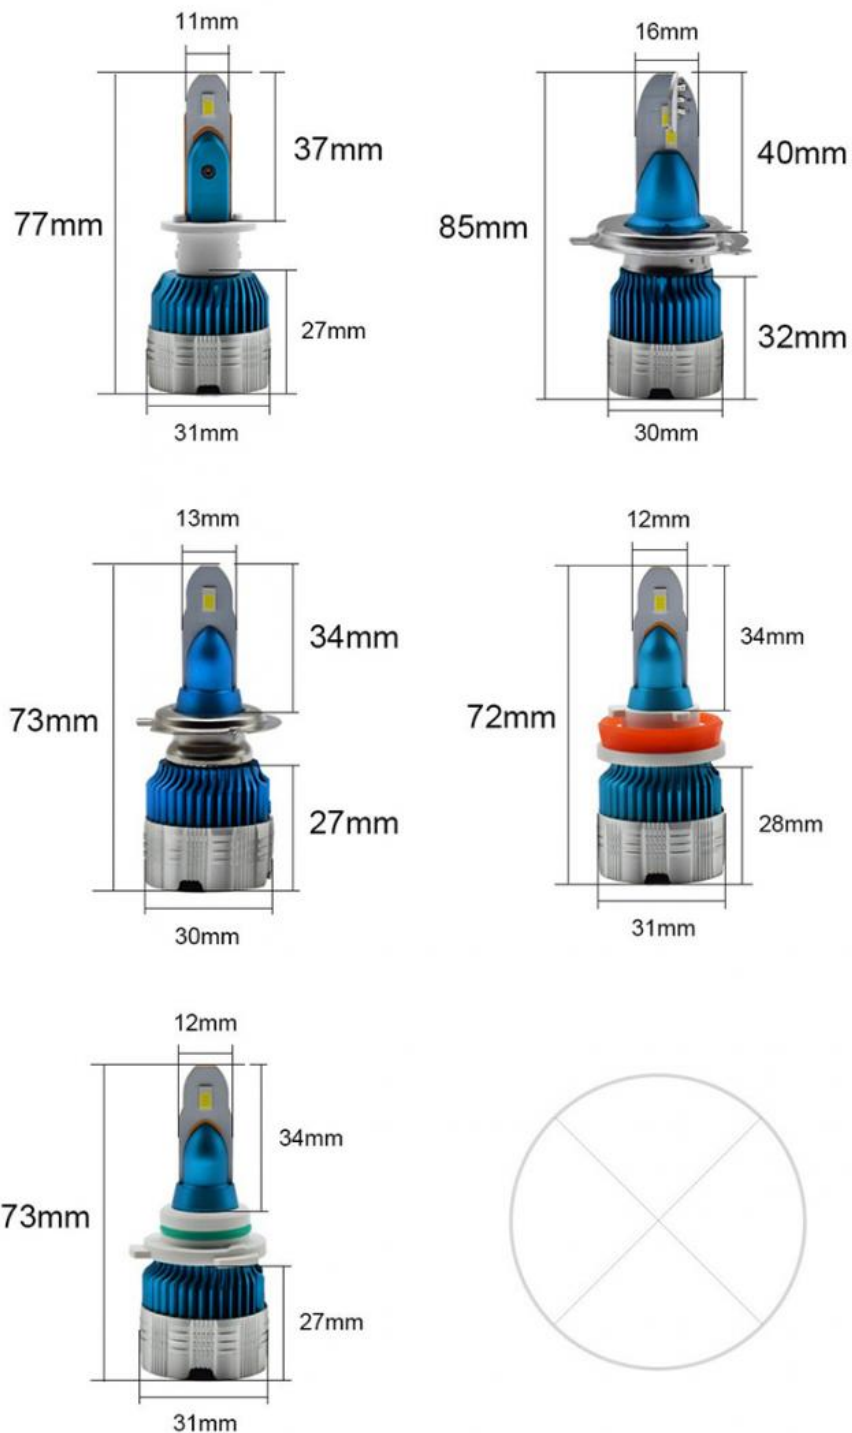

PRODUCT PARAMETERS

Product name :	Mi2 led car headlight
Input voltage :	DC9-16V
Operating voltage :	DC12V
Color temperature :	3000K-6500K
Service life :	30000h
Waterproof rating :	IP67
Cooling :	directional boost air cooling technology
Angle :	>280°
Power :	56W
