Product Description

Product Description:

Car Interior Atmosphere Lights are the perfect way to light up your car's interior and add a touch of style and creativity. They are designed to be waterproof and provide a bright and vibrant atmosphere to your vehicle. With a length of 1.2/1.5/1.8 and an easy installation method of stickers, you can enjoy the atmosphere of your car with a beautiful and unique light. Made with a silicone tube and LED lamp beads, these car atmosphere lights are created to be long-lasting and durable. Not only do they provide a decorative atmosphere, but they also function as DRL lights and can show for start and turn lights. Whether you are looking for a creative way to decorate your car's interior or want to boost the atmosphere of your car, these car interior decoration lights are the perfect way to achieve both.
