## Product Description

### Product Description:

## Motorcycle LED Headlights - Product Overview

The Motorcycle LED Headlights is a must-have for all motorcycle enthusiasts. This innovative product is designed to enhance the safety and style of your motorcycle, making your rides more enjoyable and secure.

Color: White+Yellow

The Motorcycle LED Headlights features a unique color combination of white and yellow, providing a bright and eye-catching light to improve visibility on the road. The white light is perfect for illuminating the road ahead, while the yellow light adds a touch of style and uniqueness to your motorcycle.

Led Chip: 3570

The Motorcycle LED Headlights are equipped with high-quality 3570 LED chips, providing powerful and efficient lighting. These chips are known for their long lifespan, low power consumption, and high brightness, making them the perfect choice for your motorcycle.

Waterproof Rating: IP67

With an IP67 waterproof rating, the Motorcycle LED Headlights are designed to withstand any weather conditions. Whether it's raining, snowing, or dusty, these headlights will continue to function flawlessly, ensuring your safety and convenience on the road.

Voltage: 12V

The Motorcycle LED Headlights are compatible with 12V voltage, making them suitable for most motorcycles. With this voltage, the headlights can provide a stable and consistent lighting performance, ensuring a safe and comfortable ride.

Warranty: 1 Year

We stand behind the quality of our product, which is why the Motorcycle LED Headlights come with a 1-year warranty. In case of any manufacturing defects or malfunctions, we will replace or repair the product within the warranty period, giving you peace of mind and confidence in your purchase.

Upgrade your motorcycle with the Motorcycle LED Headlights and experience a safer and more stylish ride. Don't miss out on this must-have product for all motorcycle enthusiasts!

### Applications:

#### Dalilah Motorcycle LED Headlamp Kit - The Ultimate Choice for Motorcycle Enthusiasts

Introducing the Dalilah Motorcycle LED Headlamp Kit, designed for all cars and motorcycles. This innovative product is perfect for those who are looking for the ultimate lighting experience while riding their bikes. With its advanced features and high-quality LED chip, Dalilah Motorcycle LED Headlamp Kit is the perfect choice for all your lighting needs.

#### Product Specifications:

**Brand Name:** Dalilah

**Model Number:** MCY-02

**Place of Origin:** China  
**Voltage:** 12V  
**Car Model:** All Cars Motorcycle  
**Led Chip:** 3030  
**Waterproof Rating:** IP67  
**Bulb Type:** LED

The Dalilah Motorcycle LED Headlamp Kit is specifically designed to provide superior lighting performance, making it the perfect choice for various applications and scenarios. Whether you are riding your motorcycle on a dark road or during a rainy day, this product will ensure maximum visibility and safety at all times.

**Highlighted Features:**

**High-Quality LED Chip:** The 3030 LED chip used in this headlamp kit ensures bright and clear lighting, making it perfect for night rides.

**Waterproof Rating IP67:** With an IP67 waterproof rating, this headlamp kit is highly resistant to water and can withstand harsh weather conditions.

**Easy Installation:** The Dalilah Motorcycle LED Headlamp Kit comes with a user-friendly installation manual, making it easy for anyone to install it on their motorcycle.

**Durable and Long-Lasting:** Made with high-quality materials, this headlamp kit is built to last and can withstand daily wear and tear.

**Enhanced Visibility:** With its bright and focused lighting, this headlamp kit ensures maximum visibility on the road, making it safer for you to ride your motorcycle.

**Application Scenarios:**

The Dalilah Motorcycle LED Headlamp Kit is suitable for various applications and scenarios, including:

Riding your motorcycle on dark roads

Riding in harsh weather conditions, such as rain or fog

Nighttime adventures and road trips

Off-road biking and racing

Don't compromise on your safety and riding experience. Upgrade your motorcycle's lighting system with the Dalilah Motorcycle LED Headlamp Kit and enjoy a brighter, safer, and more enjoyable ride.

**Customization:**

Dalilah Motorcycle LED Headlamp Kit -MCY-02

Customize your motorcycle's lighting with Dalilah MCY-02 - the ultimate LED headlamp kit for motorcycles. Designed and manufactured in China, this kit offers superior performance and durability with its IP67 waterproof rating.

Brand Name: Dalilah

Upgrade your motorcycle's lighting with Dalilah - a trusted brand in automotive LED lamps.

Model Number:MCY-02

Dalilah MCY-02 is a high-quality LED headlamp kit specifically designed for motorcycles. It offers a perfect fit for most motorcycle models.

Place of Origin: China

Made with precision and expertise in China, Dalilah MCY-02 guarantees top-notch quality and performance.

Waterproof Rating: IP67

Don't let weather conditions affect your motorcycle's lighting. With IP67 waterproof rating, Dalilah MCY-02 is designed to withstand even the toughest weather conditions.

Lamp Type: Automotive LED Lamps

Dalilah MCY-02 utilizes the latest automotive LED lamp technology to provide brighter and more efficient lighting for your motorcycle.
