Product Description

Product Description:

Motorcycle LED Headlights

Motorcycle LED Headlights is the perfect solution for riders who are looking for enhanced visibility and style for their motorcycles. This headlamp kit is designed to provide superior performance and durability, making it a must-have for any motorcycle enthusiast.

Waterproof Rating: IP67

With a waterproof rating of IP67, this product is built to withstand even the toughest weather conditions. You can ride with confidence, knowing that your headlights will continue to function perfectly, regardless of rain, snow, or mud.

Warranty: 1 Year

We stand behind the quality of our product and offer a 1-year warranty for any manufacturing defects. This gives our customers peace of mind and ensures that they can enjoy their Motorcycle LED Headlights for years to come.

Color: White+Yellow

The combination of white and yellow light gives a unique and eye-catching look to your motorcycle. The white light provides superior visibility, while the yellow light adds a touch of style and personality to your ride.

Lumen: 2600lm

With a lumen output of 2600lm, these LED headlights provide bright and powerful lighting, making it easier for you to see and be seen on the road. Say goodbye to dim and dull headlights that compromise your safety and riding experience.

Applications:

MOTORCYCLE LED HEADLIGHTS

Product Description

The Dalilah Motorcycle LED Headlights are the perfect upgrade for your motorcycle. Designed with high-quality materials and advanced LED technology, these headlights provide exceptional brightness and durability. The MCY-05 model is specially designed for all types of motorcycles, making it a versatile and practical choice for riders.

Product Features

Brand Name: Dalilah

Model Number: MCY-05

Place of Origin: China

Color: White+Yellow

Life Time: 50000hours+

Waterproof Rating: IP67

Car Model: All Cars Motorcycle

Led Chip: 3570

Product Application

The Motorcycle LED Headlights are suitable for a variety of riding situations and environments. Whether you are commuting, touring, or off-roading, these headlights will provide the perfect lighting solution. Here are some of the common applications for this product:

Riding at Night: With its bright and powerful LED lights, the Dalilah Motorcycle LED Headlights provide excellent visibility for riding at night or in low light conditions.

Bad Weather Conditions: The waterproof rating of IP67 ensures that these headlights can withstand heavy rain and snow, making them ideal for riding in any weather.

Off-Road Adventures: The sturdy construction and long lifespan of 50000hours+ make these headlights perfect for off-road adventures, providing reliable lighting in rough terrain.

Customization: The white and yellow color combination of these headlights adds a stylish touch to any motorcycle, making them popular among riders who want to customize their bikes.

Product Installation

The Dalilah Motorcycle LED Headlights come in a complete kit with all the necessary components for easy installation. The user-friendly design allows for a hassle-free installation process, and the headlights can be easily adjusted to fit different motorcycle models. Check out the video below for a step-by-step guide on how to install the MCY-05 model:

Upgrade your motorcycle with the Dalilah Motorcycle LED Headlights and experience a safer and more enjoyable ride.

Customization:

Customized Service for Dalilah Motorcycle LED Headlights

Brand Name: Dalilah
Model Number: MCY-05
